To whom it may concern

Our relationship with Alpha Commerce International Inc. goes back to 2004 when William Montague was seeking a reliable North American freight forwarding company to manage its logistics requirements from overseas to the USA and Canada.

We were introduced to Alpha Commerce on the recommendation of the Hyatt Regency Montreal for whom Alpha Commerce International has been their logistics and customs provider for many years.

We were fortunate to have Alpha Commerce recommended to us at that point and have not looked back or further afield since then. We remain 100% satisfied with our choice.

Needless to say that prior to Alpha Commerce we had numerous bad experiences and expensive unforeseen additional costs with other providers.

It is in this spirit of confidence and trust that we cannot recommend highly enough Alpha Commerce International Inc. for any corporation who may need to consider a reliable, honest, dedicated, trustworthy Transportation Logistics and Customs Clearance provider while maintaining predictable and competitive transportation and customs costs.

If you require any further information please do not hesitate to contact me at the above office.

Yours faithfully
